

The Voss Law Firm, PC

Litigation

Mr. Voss founded his firm to provide excellent legal services to businesses and individuals alike on a local and national basis. The Voss Law Firm, P.C. recently added to its team by recruiting Mr. Scott Hunziker, an experienced and aggressive trial lawyer, who currently practices in Texas, Missouri and Kansas. Mr. Hunziker's extensive background includes successfully trying lawsuits to verdict before both judges and juries. He has also led numerous cases through the appellate process, and in doing so, has been successful in creating new law within Texas.

Our law firm would like to take this opportunity to thank all of its clients, referring attorneys and friends for their continued confidence in our expanding trial practice. We are growing and prospering as a direct result of the tremendous support of client and attorney referrals.

The Voss Law Firm, P.C. is actively undertaking new cases solely on a contingency fee basis in the areas of insurance disputes, business disparagement, breach of contract, shareholder and partnership disputes, commercial fraud and fiduciary duty disputes. Our law firm is also accepting referrals on cases that involve catastrophic loss as a result of offshore injuries, 18-wheeler crashes, medical negligence, defective products, serious auto accidents and abuse or neglect of the elderly or disabled.

Ultimately, The Voss Law Firm, P.C. has dedicated their talent and experience to representing businesses and individuals that need aggressive representation, and absolutely cannot afford to lose the battle. We possess the resources, knowledge and courage to get the job done. Victory is the only option.
